GETTING STARTED

Choose a package and sign in with Google. Pay the 25% deposit through Square to open your scope.

Email your assets and confirm your scope so AMSS can begin. A higher agreed Enterprise quote carries a 25% deposit.

Essential website

Give visitors a clear introduction to your business and a direct way to reach you.

8 PAGES

Essential

STARTING PRICE

$1,499

$374.75 deposit

INCLUDED IN YOUR PACKAGE

Site map	Home, About, Services, Contact and FAQs, plus three static pages of your choice.
Lead capture	A contact form sends inquiries to your private admin dashboard.
Design & content	Layouts optimized for desktop and mobile, basic content writing, social link icons and customer reviews.
Search & analytics	SEO foundations include page titles and descriptions. Google Analytics setup helps you measure site activity.
Delivery	One full revision round, testing, deployment and handoff.

PREPARE YOUR SCOPE

Name your three additional pages. Gather your services, contact details, approved reviews, social links and existing copy. Decide where inquiries should go.

SEND FILES & AUTHORIZE THE START

Sign in with Google, pay the deposit through Square and complete your scope. Email your logo, assets and examples with your business name and project reference to **info@amsoftwaresolutions.org**

Confirm you sent everything and AMSS may start.

Growth website

Connect the pages that bring visitors in with the tools that turn interest into inquiries.

INCLUDED IN YOUR PACKAGE

Site map	20 pages including Home, About, Services, Contact and FAQs. Allocate the rest to service or location pages, campaign landing pages and other priorities.
Lead capture	A lead dashboard and up to three capture flows, such as a calculator, estimator or email signup.
Booking & admin	Calendar booking integration, email notifications and a simple content management system in the admin dashboard.
Design & content	Responsive design, basic writing, SEO foundations, Google Analytics setup, social link icons and reviews.
Delivery	Two full revision rounds, testing, deployment and handoff.

PREPARE YOUR SCOPE

Map your pages and choose up to three capture flows. Supply booking details, notification recipients, editable content, service areas and marketing goals.

SEND FILES & AUTHORIZE THE START

Sign in with Google, pay the deposit through Square and complete your scope. Email your logo, assets and examples with your business name and project reference to **info@amsoftwaresolutions.org**

Confirm you sent everything and AMSS may start.

Enterprise website

Launch from the Growth website and use a shared pool of consulting and development time.

GROWTH + 150 HOURS

Enterprise

PROJECT PRICE

$9,999+

$2,499.75 base deposit

INCLUDED IN YOUR PACKAGE

Growth website	20 pages for core content, services, locations and campaigns. Includes responsive design, writing, SEO, Analytics, social links and reviews.
Growth tools	Lead dashboard, up to three lead capture flows, calendar booking, email notifications and a simple admin content management system.
150 hours	A combined allowance for consulting and development on the Growth site. Use the scope to prioritize the changes and integrations you need.
Delivery	Two full revision rounds for the Growth website, plus testing, deployment and handoff.
Pricing	The $9,999 base price includes all 150 hours. Pay $2,499.75 to start, or 25% of a higher agreed custom quote.

PREPARE YOUR SCOPE

Prepare the Growth scope plus your custom priorities, success criteria, systems to connect and who can approve decisions on the additional work.
